No. 124

Municipal Board's Office Mysore
dated 11th September 1888.

To

The Chief Secretary to the
Dewan of Mysore.

Sir

The Sanitary Engineer Mysore having drawn my attention to the insanitary condition of Tadavarhalli Village and the Tank feeders within its limits I replied to him in the terms of Docket No. 43 dated 9th July 1888, copy of which is herewith submitted. This reply was based upon existing practice which is that the boundaries of the Municipality defined by notification No. 133 dated 2nd September 1884, have been regarded as Municipal Boundaries for Octroi purposes only, and no Mohaturfa Revenue has been derived by the Municipality and no municipal administration has been extended to the 4 Villages of

Tadavarhally, Kanna Gowdankoppal
Koorubarhally & Ontikoppal.

although these Villages are included within the boundaries specified in the aforesaid Notification.

2. Having proposed Municipal Boundaries with such a limitation elsewhere so as to exclude liability to road maintenance it did not occur to me that the justification for the practice here should be examined. But such an examination being instituted on a call from the Dewan I find that there is no such justification and that on the contrary the practice is opposed to intentions formed when the boundaries were fixed. In the Dewan's Proceedings No. 2492-5/26 dated 22nd July 1884 which directed

difination of boundaries, it is distinctly ordered
" that advantage should be taken of the present
opportunity to bring within municipal limits
such additional lands as may on Sanitary or
other grounds be desirable."

In these circumstances I beg to report
that steps are being taken to bring all the four
Villages above named under municipal adminis
tration - Conservancy Establishments and
Sanitary arrangements will be made at once,
and municipal Mohaturfa assessed from cur
rent year unless sanction is accorded for
such assessment taking retrospective effect.
In any case I request that such Mohaturfa
as has been assessed under Revenue Department
Rules for the past year may be kindly ordered
to be transferred to the Mysore Municipality
to form the fund from which the cost of the
new Establishments and arrangements for
this year may be defrayed.

I have the honor to be

Sir

Your most obedient Servant.
